

2022 COVID-19 Policy – Match Rules

COVID Rule Protocols:

Matches may be impacted by players who have tested Positive to COVID-19, and will be managed as follows:

- Divisions where there is a team(s) to fill from:
 - 1-4 players out – expected to fill from division below
 - 5 or more – can be rescheduled
- Divisions where there is **not** a team to fill from: No limit to players
- A team can reschedule a game once per Winter season due to COVID

As of 28th April, these are the current guidelines. For the latest, please check the NSW Gov Website [here](#).

Updates to COVID settings

Household and close contacts

Household and close contacts do not need to self-isolate if you do not have any symptoms, but must follow [NSW Health household and close contact guidelines](#) for 7 days from the last time someone in your household tested positive to COVID-19, or as otherwise directed by NSW Health if you are a close contact.

There are no changes to the advice for people who test positive to COVID-19. You must self-isolate for 7 days from the date of your positive test and follow the [testing positive to COVID-19 and managing COVID-19 safely at home](#) advice.

Revision

Date	Reason	People
22/04/2022	Policy created. Based on the HACT policy.	Amy Smart, Ken Larkin
28/04/2022	Update to include NSW Government Guidelines	Amy Smart
